

TEMPLE DAY SCHOOL

AND MOTHER'S DAY OUT

September Newsletter

Dear Parents,

We are so glad to have the opportunity to welcome each of you to the Temple! Some of you are familiar faces but many of you are new to our "family." It is important that each of you know that we are here to minister to you and your family and our doors are always open if you have any questions or concerns.

This year we have a few new faces in the building. The Day School would like to welcome Terry Thibodeaux and Stephanie Harren as our Three-year old teachers and Jenny Tyson in our Toddler class. All are coming to us with many years of experience and expertise in child care. Please stop by to welcome these new ladies and make them feel at home. While your at it, take a peek in all of the classrooms and witness the creativity in the decorations. The teachers have put many long hours into a warm and inviting atmosphere for our children.

We are delighted that the rest of the staff has returned to their same positions and we are so thankful to have such a wonderful group of ladies on staff each with gifts to share and all with a love for children.

God's blessings and welcome back,

Kay
